

# SLIMLINE CRADLE FOR PANASONIC TOUGHBOOK 33 TABLET

An ultra-slim, low profile mounting solution built for rugged performance in harsh environments, this PMT cradle features a minimalist design offering the smallest possible form factor to limit space occupied by the docked Panasonic TOUGHBOOK 33 tablet. Manufactured from aircraft grade aluminum for a lightweight, long lasting and durable product.

## FEATURES

- CNC machined aircraft grade aluminum construction to ensure a lightweight, ultra-rugged solution in all mission critical operations
- Black epoxy powder coat finishes provide years of durable, low maintenance performance
- VESA 75mm mounting pattern for compatibility with a variety of PMT motion attachments
- Ultra-slim, low profile design for maximum usable space
- One handed operation allows simple docking/undocking of a device
- NOTE: Product is not designed for in-vehicle use
- Limited Lifetime Warranty
