

2021+ FORD F-150 AMPS DASH MOUNT

Dash mount plate that fits on top of the dashboard in Ford F-150 trucks, providing a mounting base with an AMPS hole pattern. This enables the fitment of items such as Zirkona semi-rugged solutions. The mounting zones feature slots with the AMPS hole pattern, allowing users to adjust the position of their mounts. The top plate is easily detachable, secured with 4 accessible screws, enabling users to remove it easily and change the position or configuration of their mounts.

FEATURES

- Ergonomic, compact, and flexible fit solution for safety and comfortable use
- Aircraft-grade aluminum construction
- High-durability black epoxy powder coat finish
- Vehicle specific for ease of fitment
- 3 mounting zones: driver facing, passenger facing, and middle facing for optimal accessibility and convenience for all occupants
- Slotted AMPS hole patterns for mounting Zirkona equipment or similar accessories
- Ridged under dash mounting plate connects to the structure of the dash creating a rugged solution
- Limited Lifetime Warranty
