

2025+ FORD POLICE INTERCEPTOR UTILITY RADIO/SIREN DASH MOUNT

The PMT dash mount for 2025+ Ford Police Interceptor offers mounting options for a range of radio equipment plus Whelen Cencom siren and light controller. Positioned on top of the vehicle's dashboard to help aid in keeping the vehicle operator's line of sight forward and on the road ahead for increased safety, visibility and easy accessibility with convenient operation of the mounted equipment. The siren controller features the ability to flip up and provide access to the vehicle touchscreen display.

Also featuring AMPS hole mounting patterns on both the driver and passenger sides allows for easy installation and integration of additional equipment (purchased separately) such as PMT's phone mounts with wireless charging capability attached to our Zirkona range of mounting solutions.

FEATURES

- Ergonomic, compact, and flexible fit solution for safety and comfortable use
- Aircraft-grade aluminum construction
- Compact, low-profile, contoured design with line-of-sight positioning
- High-durability black epoxy powder coat finish
- Vehicle specific for ease of fitment
- AMPS hole patterns for mounting Zirkona equipment or similar accessories for simple integration of PMT phone mount solutions
- Heads up display positioning for streamlined equipment access and enhanced operational efficiency
- Limited Lifetime Warranty
