

PMT BASELINE PEDESTAL SYSTEM

The baseline pedestal system is designed for maximum ruggedness, manufactured from high grade, lightweight aluminum. Engineered for the simplest, most efficient installation by offering a wide selection of vehicle specific bases which do not require any drilling during the install process.

Comprising of three parts; the vertical pedestal, an offset riser and a vehicle base, these items attach with ease to produce a mounting solution with minimal vibration and movement.

Add to the PMT pedestal system by selection from our vast range of motion mounts and tilts to find the best complete solution for mounting a laptop or tablet computer into any vehicle.

Once installed, the vertical pedestal can be height adjusted via a quick release handle for up to 5" of adjustment.

ITEM NO.	DESCRIPTION	ITEM NO.	DESCRIPTION
AS4.P500.001	Offset Riser	AS4.P501.020	2015+ Ford Transit Van and Wagon Pedestal Base
AS4.P500.002	Vertical Pedestal	AS4.P501.021	2011+ Dodge Charger Pedestal Base
AS4.P501.001	2007 - 2014 Chevrolet / GMC Truck and SUV Pedestal Base	AS4.P501.023	2021+ Ford Mach-E Pedestal Base
AS4.P501.002	2004 - 2014 Ford F-150 Pedestal Base	AS4.P501.024	2022+ Toyota Tundra Pedestal Base
AS4.P501.003	2011 - 2016 Ford F-250 to F-750 Pedestal Base	AS4.P501.025	2025+ and 2020-2024 Ford Police Interceptor Utility & 2025+ and 2020-2024 Ford Explorer Pedestal Base
AS4.P501.004	2002 - 2014 Dodge RAM Pedestal Base	AS4.P501.026	Universal Adjustable Pedestal Base
AS4.P501.005	2014 - 2019 Chevrolet / GMC Truck and SUV Pedestal Base	AS4.P501.027	2019+ GM Truck & 2025+ and 2021-2024 Tahoe Pedestal Base
AS4.P501.009	2013 - 2019 Ford Police Interceptor Sedan and SUV Pedestal Base	AS4.P501.028	2011+ Dodge Durango & 2011+ Jeep Grand Cherokee Pedestal Base
AS4.P501.015	Universal Flat Mounting Plate For Baseline Pedestal	AS4.P501.029	2019+ Ram Pedestal Base
AS4.P501.019	2015-2020 & 2021+ Ford F-150 / 2017+ Ford F-250 – F-550 Pedestal Base		

PMT BASELINE PEDESTAL SYSTEM

PART 1 Vertical pedestal

FEATURES

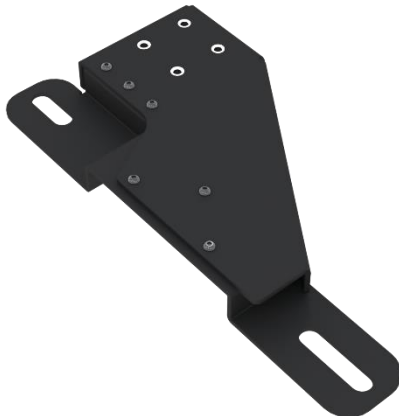

- Slim, low profile design allows for greater passenger comfort & safety
- Universal design fits multiple vehicle models and bases
- Sturdy, rugged construction for rigidity
- Adjustable height (min. 11", max. 16")
- Top platform is offset and positions device away from airbag zone
- Pedestal platform accommodates tablet, tablet / keyboard, laptop mounts

PART 2 Offset riser

- Positions vertical pedestal away from front seat passenger providing increased comfort and safety
- Rugged, lightweight design ensures maximum reliability

PART 3 Vehicle base

- Lightweight aluminum material for structural integrity, vibration reduction and corrosion resistance
- Under-seat mounting (vehicle-specific)
- Quick & easy installation, drilling not required
- Additional offset riser brackets are available
