

## UNIVERSAL TABLET CRADLE

Manufactured from aluminum for high-strength and corrosion resistance, universal cradles are available with key locks to deter theft and to ensure safety. With mounting interface plate included, PMT universal cradles can be easily installed on a variety of motion, peripheral or tablet mounts.

### FEATURES

- CNC machined aircraft grade aluminum construction to ensure a lightweight, ultra-rugged solution in all mission critical operations
- Black epoxy powder coat finishes provide years of durable, low maintenance performance
- Can be adjusted to fit a wide variety of tablet models and sizes
- Fit kits available to accommodate increased width of device dimensions
- Low profile design for maximum usable cabin space and ultimate vehicle operator comfort and safety
- Multiple mounting patterns including VESA 75 makes integration with existing mounting equipment simple and fast
- Key lockable for increased theft deterrence
- Limited lifetime warranty
