

SLIMLINE CRADLE FOR IPAD 10.9" WITH INFOCASE RUGGED PRO CASE

Slimline Cradle designed to securely hold the iPad 10.9" with the InfoCase Rugged Case Pro (FM-CRC-IPD109). Built for demanding work environments, it supports multiple mounting configurations on fixed or mobile surfaces, including PMT's Magnet Mount (AS5.G001.001) for tool benches or other metal structures. One handed operation allows simple docking and undocking, making it ideal for high mobility applications. Ultra-slim, low profile design minimize protrusion with vehicle operating space. No PCB or electronics. Built from lightweight, rugged CNC manufactured aluminum.

FEATURES

- CNC machined aircraft grade aluminum construction to ensure a lightweight, ultra-rugged solution in all mission critical operations
- Black epoxy powder coat finishes provide years of durable, low maintenance performance
- Built to fit InfoCase Rugged Case Pro (FM-CRC-IPD109) for iPad 10.9"
- VESA 75mm mounting pattern for compatibility with a variety of PMT motion attachments
- Ultra-slim, low profile design for maximum usable space
- One handed operation allows simple docking/undocking of a device
- NOTE: Product is not designed for in-vehicle use
- Limited lifetime warranty
