

2021+ FORD F SERIES AMPS DASH MOUNT

Dash mount plate designed to fit on top of the dashboard in Ford F-Series trucks, providing a mounting base with an AMPS hole pattern. This enables the fitment of items such as Zirkona semi-rugged solutions. The mounting zones feature slots with the AMPS hole pattern, allowing users to adjust the position of their mounts. The top plate is easily detachable and secured with four accessible screws, enabling users to remove it and change the position or configuration of their mounts.

FEATURES

- Ergonomic, compact, and flexible fit solution for safety and comfortable use
- Aircraft-grade aluminum construction
- High-durability black epoxy powder coat finish
- Vehicle specific for ease of fitment
- 3 mounting zones: driver facing, passenger facing, and middle facing for optimal accessibility and convenience for all occupants
- Slotted AMPS hole patterns for mounting Zirkona equipment or similar accessories
- Ridged under dash mounting plate connects to the structure of the dash creating a rugged solution
- Limited lifetime warranty
