

PMT MOUSETRAP MOTION MOUNT

PMT Mousetrap motion attachment with multiple mounting options for securing devices to consoles or horizontal flat surfaces. Built with a latching mechanism that prevents extension during sudden movement or emergencies and automatically retracts to enhance operational safety.

FEATURES

- CNC machined aircraft grade aluminum construction to ensure a lightweight, ultra-rugged solution in all mission critical operations
- Black anodized and epoxy powder coat finishes provide years of durable, low maintenance performance
- Built-in latching mechanism will not allow the unit to extend in the event of an emergency and will automatically retract minimizing the chance of injury
- Ergonomic, slim, low-profile design
- Multiple dock mounting tilt options for improved visibility and usability
- Fits on top of consoles or horizontal surfaces
- Swivel / swing capability with angle lock-out
- 6 inches extension adjustment
- Limited lifetime warranty
