

# 2020+ FORD POLICE INTERCEPTOR SUV HEADLINER MOUNT FOR WHELEN CENCOM

This mounting solution secures onto the headliner placing the Whelen CenCom controller above the vehicle operator, maximizing use of available cabin space, keeping controls in reach and maintaining safe visibility of the road.

## FEATURES

- Utilize OEM overhead space for mounting the remote siren control
- Angle can be adjusted to minimize head impact
- Retains OEM dome lights and passenger airbag indicator lights
- Fits Whelen CenCom controller
- Can be customized for other brand controllers
- Fits 2020 Ford Police Interceptor SUV
- Made in Canada
