

PMT TABLET ENCLOSURE STAND

The PMT Tablet Enclosure Stand supports both landscape and portrait orientations with multiple mounting options, including VESA 75 and 100. Positions device at a fixed 30° angle for comfortable viewing and operation. Rubber bumpers located underneath the base reduce the risk of damage to desks and other flat surfaces while providing stable placement. Base mounting holes to screw to a flat surface for more permanent installations further reduce unwanted movement. Ideal for industrial, retail and office environments.

FEATURES

- CNC machined aircraft grade aluminum construction to ensure a lightweight, ultra-rugged solutions
- Black epoxy powder coat finishes provide years of durable, low maintenance performance
- VESA 75 and VESA 100 mounting interface to allow multiple mounting options
- Stand provides a stable, space saving platform that secures the tablet enclosure, with a 30° angle for an ergonomic workspace and optimal viewing
