Product Mounting Disclaimer

Precision Mounting Technologies Ltd (PMT) are not liable under any theory of contract or tort law for any loss, damage, personal injury, special, incidental or consequential damages for personal injury or other damage of any nature arising directly or indirectly as a result of the improper installation or use of its products in vehicle or any other application. In order to safely install and use PMT products full consideration of vehicle occupants, vehicle systems (i.e., the location of fuel lines, brake lines, electrical, drive train or other systems), air-bags and other safety equipment is required. PMT specifically disclaims any responsibility for the improper use or installation of its products not consistent with original vehicle manufactures' specifications and recommendations, PMT product instruction sheets, or workmanship standards as endorsed through PMT policies and EULA.

DESCRIPTION OF THE PARTS

INSTALLATION INSTRUCTIONS

Step 1

Choose the mounting location (right or left side of the dock).

Step 2

If mounting on the right side of the dock, remove the port blocker and reuse the hardware to secure the screen support.

If mounting on the left side of the dock, use the supplied hardware to secure the screen support.

INSTALLATION INSTRUCTIONS

Step 3

Once the screen support is installed, place the laptop in the docking station and position the laptop screen to the desired viewing angle.

To adjust the screen support arm, loosen the knob, adjust the arm as needed then retighten the knob.

End of Installation.
